RE: Certification of Support for Rural and Non-Rural High-Cost Carriers and
Competitive Eligible Telecommunications Carriers Pursuant to 47 C.F.R Sections
54.313-314, CC Docket Nos. 96-45

Dear Ms. Dortch and Ms. Majcher:

The Mississippi Public Service Commission ("MPSC") hereby certifies that all federal high cost support provided to rural and non-rural carriers and competitive eligible telecommunications carriers ("CETC") in this state will be used only for the provision, maintenance, and upgrading of facilities and services for which the support is intended, consistent with Section 254(e) of the Communications Act of 1934, as amended. This includes High Cost Loop Support, High Cost Model Support, Local Switching Support, Safety Net Additive Support and Safety Valve Support.

Attached are lists of rural and non-rural carriers and CETCs certified by the MPSC pursuant to Sections 54.313 and 54.314 of the FCC's rules (47 C.F.R. §§ 54.313, 54.314), which require states to establish an annual certification process for rural and non-rural carriers receiving federal high cost support. As requested by the Universal Service Administrative Company, listed beside each carrier is its assigned study area code.

Enclosed is a stamped addressed envelope and an additional copy of this letter for you to use in forwarding a stamped filed copy of this correspondence. Thank you for your assistance in this matter.

Sincerely,

Nielsen Cochran, Chairman

Leonard Bentz, Vice-Chairman

Bo Robinson, Commissioner
